Where uncertainty exists with respect to the boundaries of the various districts as shown on the Official Zoning District Map, the following rules shall apply:

- 303.2 Boundaries indicated as approximately following platted lot lines shall be construed as following such lines;

- 303.4 Boundaries indicated as parallel to or extensions of features or lines indicated in subsections 303.1 through 303.3 above shall be so construed. Distances not specifically indicated on the Official Zoning District Map shall be determined by the scale of the map.
