Assistant Prosecuting Attorney Susan Wieland was also present. The Chairman led the Pledge of Allegiance. CEMETERY DEEDS

Cemetery deeds were signed and witnessed to Jack L. and Sandra J. Schinness, Fowlers Mill II Cemetery, Lot 75, Graves 7 & 8, and Lewis Paul Cross, Maple Hill II Cemetery, Lot 3, Grave 2. MINUTES

Irene McMullen moved and Andy Bushman seconded to approve the minutes of February 12, 2019, with a unanimous vote. Motion carried.

CHARDON CITY SOCCER PROGRAM

Representatives from the Chardon City soccer program were present to address the concerns of the Trustees. The soccer program has outgrown the facilities at the Chardon Park and needs to expand its facilities. They have 189 registered children from pre-K to 6th grade and estimated that approximately 34-50 are Munson residents. There will be 1-3 games per evening and 14-24 participants each game. Mr. Bushman was concerned about parking. The Board asked them to get permission to use the Munson Elementary parking lot. Mrs. McMullen asked them to encourage parents not to park on the grass.

CHARDON HIGH SCHOOL BASEBALL PROGRAM

Assistant Prosecuting Attorney Susan Wieland joined the Trustees at the table. Chardon High School Athletic Director Doug Snyder introduced school superintendent Michael Hanlon and High Baseball Coach Brian Long. He thanked the Trustees for hosting the baseball program and praised the facilities. He apologized for the missteps during the previous season due to overzealous supporters. Ill will was not intended. They operated in the best interests of the program and were not aware of protocol. He asked the Board to review a letter that will go out to all of the baseball parents. In future, all projects will go through the coach and athletic director. Nothing will be done without the approval of the Township. A meeting has been scheduled to discuss projects and sponsorship. Mrs. McMullen asked how the Boosters, a stand-alone 501c3 organization, coordinated with the athletic department. The Boosters meet monthly. The athletic director attends the meetings and is aware of their projects. Funds were collected from local sponsors to advertise on the ball field fences. Ms. Wieland went over two options for collecting these types of donations. The funds were collected without the authorization of the Township and must be returned to the donors. Mr. McCaskey wanted to be notified when the funds were returned. The Board will approve the current field lease form this year, and Ms. Wieland will draft a memorandum of understanding for both parties to sign. Mrs. McMullen praised the High School students who are installing batting cages as a senior project. Coach Long asked to be consulted regarding their placement, as this will be critical to their usefulness. The dugouts were removed from the varsity field without the Board's knowledge and debris from the metal roofs was left at the site. Ms. Wieland pointed out the liability for the Township. The discussion concluded with everyone in accord. PUBLIC COMMENT - none.

FIRE DEPARTMENT REPORT/CHIEF ALAN ZWEGAT

The Chief is waiting for a quote for the women's restroom. The Zodiac is gone. He asked the Chairman to swear in two new full time fire department members at the next meeting.

ROAD REPORT/SUPERINTENDENT JIM TEICHMAN

ROAD REPORT (continued)

Electolite installed all but one light in the current project and needs to energize one more. They submitted their invoice. The Township will pay 90% and hold back 10% until the project is complete. The Nortons live across the street from the maintenance yard, and asked the Township to put the new lights on motion detectors or to shut them off at night. Mr. Bushman pointed out that this will not be an issue when the leaves are on the trees. Electolite advised that this problem can easily be addressed in several different ways. Mr. Bushman suggested that the Trustees wait a month to see how it goes. The Road Superintendent will look into the options. The Board discussed the new sign at the roadway in front of the Township Hall, nicely lit, but a little glaring for motorists.

Mr. Teichman submitted a list of 2019 road-resurfacing projects and the engineer's estimates. He asked how the Board wished to address concrete driveways. Mrs. McMullen wanted to know if replacing the concrete approaches could be bid as an alternative. Mr. Teichman told her that it would be difficult to estimate the cost as there will be varying dimensions for each driveway. The Board asked for a breakdown of the number of concrete driveways for each road on the project list and for a ballpark cost for a typical driveway. Mrs. McMullen suggested consulting the engineer's office.

Mr. Teichman had quotes for a new welder, and will find out if the welder is included in state bid pricing.

NOPEC GRANT/STREET LIGHT CONVERSION TO LED LIGHTING

Mrs. McMullen submitted a list of the streetlights and their locations in Munson Township. She will submit a request to replace 15 lights to get the Township on a waiting list, and include those lights that are 750 watts or higher. The earliest the project can be done is 2020. Once approved, the Township can amend the list and the number of lights. The cost for a new streetlight is approximately \$1,500. The Township has no options for color with LED. Mr. McCaskey suggested that the three lights in front of the Fire Station be considered.

STREETLIGHT REQUEST FOR SUTTON PLACE

Mr. Bushman will pursue the request for a streetlight at Sutton Place.

WEEKLY RUBBISH PICKUP

Irene McMullen moved and Andy Bushman seconded to sign an agreement with Waste Management for rubbish removal at the prices listed, with a unanimous vote. Motion carried. <u>GEAUGA TRUMBULL SOLID WASTE MANAGEMENT DISTRICT PLAN</u>

The Trustees will review the plan update and contact Geauga Trumbull if they have any questions.

TOWN HALL INTERIOR PAINTING

The Board reviewed a quote from M & M Painting and Remodeling to paint selected areas in the Township hall and office including the lobby, conference room, and back hallway metal doors and frames.

Irene McMullen moved and Andy Bushman seconded to contract with M & M Painting & Remodeling for painting the town hall as recommended by the office manager in an amount not to exceed \$2,600, with a unanimous vote. Motion carried.

WASTE ANALYSIS AND DISPOSAL

Irene McMullen moved and Andy Bushman seconded to contract with PennOhio for waste processing in an amount not to exceed \$3,100, with a unanimous vote. Motion carried. Irene McMullen moved and Andy Bushman seconded to contract with PennOhio for waste processing analysis in an amount not to exceed \$1,900, with a unanimous vote. Motion carried. NEW WELL

Irene McMullen moved and Andy Bushman seconded to contract with Tec, Inc. for engineering work related to the well in an amount not to exceed \$1,500, with a unanimous vote. Motion carried

RECYCLING CENTER

The dumpsters have all been removed from the Township's recycling site. The county will not open its facility until October, so there will be a gap in service. Bins are available at the county offices at 470 Center Street in Chardon.
