

NOPEC UPDATE

In our continuing efforts to provide sustained price stability for your residents and small businesses, we are pleased to announce that NOPEC will lower and hold our electric and natural gas Standard Program Prices steady for the periods and at the prices outlined below:

Electric SPP

Meter Read Dates	Ohio Edison/The Illuminating Company	American Electric Power
June through December 2024	6.499 cents/kWh	6.399 cents/kWh

Natural Gas SPP

Meter Read Dates	Dominion Energy Ohio	Columbia Gas of Ohio
May through October 2024	\$3.41 per Mcf	\$0.441 per Ccf

In addition, for those customers that prefer even longer periods of predictable pricing, we also recently updated our fixed term product prices. These prices are in line – and largely below – what is currently being offered on the Apples to Apples shopping website and come without the hidden charges and strings attached to many retail offers. Meaning your residents and small businesses can enjoy the peace of mind that NOPEC’s product variety, flexibility and no risk terms provides for up to 2 years! And they can take advantage of these competitive rates by simply calling **NOPEC’s Customer Care Center at 855-667-3201**, 24 hours a day, 7 days a week.

Electric Fixed Term

Fixed Term Length	Ohio Edison/The Illuminating Company	American Electric Power
12-months	6.700 cents/kWh	6.800 cents/kWh
24-months	6.800 cents/kWh	7.000 cents/kWh

Natural Gas Fixed Term

Fixed Term Length	Dominion Energy Ohio	Columbia Gas of Ohio
12-months	\$3.99 per Mcf	\$0.499 per Ccf
24-months	\$4.25 per Mcf	\$0.525 per Ccf

We are pleased that NOPEC can provide this consistent, predictable, stable pricing to our natural gas and electric customers in these ever-changing market conditions. As always, we sincerely appreciate your continued support of NOPEC and your assistance in informing and educating your residents and businesses about the benefits and protections enrollment in NOPEC provides.
