Old Business

Community Day Picnic Games - Recap

The games went well but the bounce house and slide seemed to have a smaller crowd than past years. The pie eating contest should be split into age groups next year. The magic show by Rick Smith Jr. was great and it worked out perfect in the community room.

Scenic River Dock Update

Board members have heard that Aiden Mann will not be building the dock at Scenic River Retreat this year for his Eagle Scout project. Mr. Mann did not attend the meeting. Nothing else to report at this time.

Scenic River Retreat Trails Update

The project is staged and the trails have been cut and cleared. The footers have been installed for the walks. Joe Herczak talked to the guys that are working on the project and they are planning to have the job completed in (2) two weeks. There will be more talk regarding the trails after the completion at the next meeting. Zoning Inspector Jim Herringshaw has been checking on the project through its progression.

Baseball Dugouts

Stewart Landies is seeking approval to install adhesive vinyl decals on the recently constructed dugouts. These decals would be placed in lieu of painting the dugouts. Concerns have been voiced about the durability of these decals in an exterior setting. Mr. Landies is aware that he will need permission from the Trustees before moving forward with this idea.

General Comment

Jim O'Neill commented that the grass is still not cut at the batting cages at Township Park. Secretary Julie Johnston will contact Doug Snyder to remind him of this issue.

The meeting was adjourned at 6:59pm. The next meeting will be held Monday, September 9, 2019 at 6:15pm at Scenic River Retreat.
