NEW BUSINESS:

Scenic River Trail Review

Pete McDonald from the Western Reserve Land Conservancy met with Park & Recreation Board members along with Adam McKinney from Munson Township Road Department who was part of the original crew who set up the trails. The intent of the meeting/hike held on Thursday, October 15, 2015 at Scenic River Retreat was to see if the trails are located in the most desirable place since there are many sections too wet for travel. After hiking the trails, Mr. McDonald said he would send a proposal for a big loop hike and a smaller loop hike for Trustees and Park & Recreation Board members to review. Any revised trails will take a lot of time to prepare and make official.

OLD BUSINESS:

Park updates

Town Hall Park – A new concrete walkway will be put in off the back of the community room for residents to unload their party supplies. This will help relieve some of the wear and tear at the front entrance of Town Hall. **Munson Township Park** – The tennis courts resurfacing has been completed. Jim O'Neill has not had a chance to look at it yet. **Scenic River Retreat** – Claudia Toth attended the Trustee meeting on Tuesday, September 22, 2015. The Trustees suggested using the blue liquid that is typically used in portable restrooms to combat the odor in the e-loos.

The Trustees would like the Park & Recreation Board members to recommend motion detecting lights (battery or solar operated) for the e-loos since there are parties which conclude after dark. Members will look into this matter and offer suggestions at the next meeting. **Nero Nature Preserve** - Bert Diehl visited the park and said it was cleaned up and looked good. He was happy to see people using the park for bike rides and hikes.
