

Minutes of the Munson Township Park & Recreation Board Meeting

Tuesday, March 11, 2014

The meeting was called to order at 6:30pm by Art Hollis.

Present: Art Hollis (Chairman), Claudia Toth (Vice), Jim O'Neill, and Joe Rosboril.

MINUTES

Claudia Toth made a motion which was seconded by Joe Rosboril, to approve the meeting minutes from February 11, 2014. Passed unanimously.

OLD BUSINESS:

Indoor Flea Market

Indoor Flea Market results were passed out to Park Board members (attached to minutes).

Current project review

Playground – Park & Recreation Board members reviewed playground photos, layouts and estimates from Institutional Diversified, Meyer Design and Snyder & Associates. Meyer Design is the only company of the three that do their installations in-house. Playground benches will be an Eagle Scout project so the Township can remove that cost from the estimates. Park Board members recommend Meyer Design and will present the estimates to the Trustees at their March 25, 2014 meeting. Claudia Toth made a motion which was seconded by Jim O'Neill to recommend Meyer Design for the playground at Munson Town Hall. Passed Unanimously

Bleachers – When weather allows, Joe Rosboril will measure the bleachers and proceed with this project. Mr. Rosboril will look into both new and retro fitting to see which would be the best alternative. Three sets of bleachers are needed at the baseball fields at Town Hall Park. The Park Board hopes to have the new bleachers operational by the start of baseball season which is typically May 1st.

Work session with Trustees for 2014 remaining projects

The joint meeting with the Trustees on March 4, 2014 was productive. Park & Recreation Board members feel there should be a joint meeting scheduled twice each year.

NEW BUSINESS:

Candy bags for Easter Egg Hunt

The Easter Egg Hunt is scheduled for Saturday, April 19, 2014 at 10:30 am at Munson Township Park. Jen Evans and her Girl Scout Troop will be filling the candy bags this year for the Easter Egg Hunt.

Additional entrance sign at Nero Nature Preserve

The Park Board would like to get a price on duplicating the sign For Nero Nature Preserve. The sign company that made that sign is no longer in business. Art Hollis will look into local sign companies.

Bird repellent for Scenic River Retreat

The Park and Recreation Board received the okay to proceed with bird repellent at Scenic River Retreat. The Park Board will contact the Road Department in regards to the repellents installation. If it works well at Scenic River Retreat, it will be installed at other Munson Township Parks.

Community Day involvement of the Park Board

After the joint work session with the Trustees on March 4, 2014, Park Board members walked away with the idea that the Trustees will be running the picnic. The Trustees would like Park & Recreation Board members to submit their Community Day Picnic ideas for their review.

Ideas for Community Day

Park Board members would like to get Munson churches, community groups or businesses involved in the picnic to promote their cause without selling product. This idea would also help with the volunteer shortage. Having a game that residents can join in on would add a nice community touch; baseball, corn hole, horse shoes, etc. Another nice change up would be to have live animals such as alpacas, horses etc. Park Board members would like to become more involved with the Community Day Picnic if the Trustees will allow them to make some changes. They will present a list of ideas to the Trustees at an upcoming meeting.

Fireplace at Scenic River Retreat

This project is in Trustee, Jim McCaskey hands at this time. He will get back to the Park & Recreation Board in regards to the fireplace estimates.

OTHER BUSINESS

ATTACHMENT:

Indoor Flea Market Results

ADJOURNMENT:

Joe Rosboril made a motion to adjourn the meeting at 7:47pm.

The next meeting will be held Tuesday, April 8, 2014 at 6:30pm at Munson Town Hall.
