Disc Golf Course at Nero Nature Preserve

Dave Jirsa wrote an article for the March newsletter. When the weather clears up, Road Superintendent Kirk Walker would like to meet a Park Board member or two at Nero Nature Preserve to go over what areas need to be cut since his crew will be taking care of it this year with the grounds being too rough for a landscaper.

Free Library Box

Rick Webb and his friend Earnie Richmann built a new Free Library Box and put it on the post. The new doors close nicely and the books should be protected from the weather. Rick will continue to stock the box with books. It seems to be used often.

Flea Market – Saturday, March 22

Most of the vendor spaces have been sold with only a few remaining. More details will be at the next meeting regarding the members' meeting time and tasks for the day.

New Business

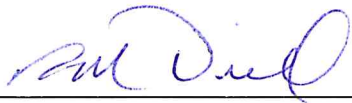

Landscape

The Trustees will be reviewing the mowing quotes at their next meeting scheduled for tomorrow evening.

Community Gardens

Ellen Comeau reached out to Eric Draper from the Ohio State Extension office but has not heard back yet. Gail Prunty from Geauga Soil and Water holds educational programs. A good place to start with a community garden class may be the small, overgrown and out of control rain garden at Munson Township Park. More discussion will follow next month.

Ellen Comeau moved and Bert Diehl seconded to adjourn the meeting at 6:52pm. Passed unanimously. Motion carried, 4-0. The next meeting will be Monday, March 10, 2025 at 6:15 at Munson Township Hall.
