New Business

Community Day Picnic Games – Saturday, August 3rd

Board members would like to shorten the time between games and start the games at 12:30 instead of 1:00pm. Members agree that it would be nice to add another bounce house choice or course since it always has been a sought after activity for the children. Trustee Andy Bushman will get the same prizes as last year for the games.

Old Business

Fishing Derby – Recap

The weather became nice when the Board members started to clean up after the event which attracted approximately 25 - 30 participants. The fish were not biting on the rainy morning. Weather is a large factor on how many residents attend the event.

Rain Garden at Township Park

The rain garden seems to be working and the plants are growing nicely. It would be nice to have identifying plant tags for garden enthusiasts. Trustee Irene McMullen may know if we are expecting any.

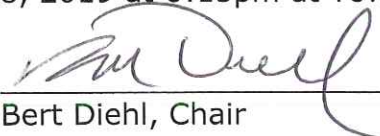

Scenic River Trail Update

We are waiting for the archeological study to be completed which is expected to be finished in the first half of July. The contractors are scheduled to start on the trails July 26, 2019.

General Comment

Joe Herczak commented on the piece of concrete pipe at Scenic River Retreat. Something needs to be done with it. As it sits, it looks like a tall trash receptacle and people have been using it for trash. It can be sunk in the ground and residents can use it as a fire pit. If the Trustees choose a fire pit, the Township should install a wood rack and stock it with wood. The other option would be to remove it altogether. The Trustees will have to decide.

The meeting was adjourned at 7:00pm. The next meeting will be held Monday, July 8, 2019 at 6:15pm at Town Hall.
