Old Business

Scenic River Trail Markers

The Road Department put up small flags to mark the trails at Scenic River Retreat. Park Board members are happy with the locations selected. There may be a couple of places where additional markers are desired. That decision will be made once the actual trail markers are installed. For that reason, members are asking to hold off on putting numbers on the markers before installation. When all are in place, the Fire Department will read GPS coordinates and link them to the numbers on the trail marker.

Dugouts at Township Park

During Jim O'Neill's park check he noticed that someone used spray-paint on the interior wall of the dugout on the first base line of the high school field. The Township office will call the Sherriff Department and request extra patrols.

Restroom Retrofit at Township Park

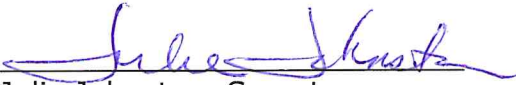

No news to report at this time.

Pickleball

John McCreery will use chalk on the existing tennis courts to draw pickleball lines this weekend. The Township office will make a sign to try and track the usage.

John McCreery moved and Jim O'Neill seconded to adjourn the meeting at 6:38pm. Passed unanimously. Motion carried. The next meeting will be held Monday, September 14, 2020 at 6:15pm at Munson Township Park.
