

Minutes of the Munson Township Park & Recreation Board Meeting Monday, September 14, 2015

The meeting was called to order at 6:17pm by Claudia Toth.

Present: Claudia Toth (Chair), Jim O'Neill, Joe Rosboril, Bert Diehl and Joe Herczak.

MINUTES

Jim O'Neill made a motion which was seconded by Bert Diehl, to approve the meeting minutes from August 10, 2015. Passed unanimously.

NEW BUSINESS:

New Board member candidate

Mr. Dan Rager attended the meeting to see how the Park & Recreation Board operated and if it is a board that he would like to be a part of.

Flea Market review

It was a warm and sunny day with 56 vendor spots sold equaling a total of \$840. The money raised minus the cost of advertising will go to the Munson Township Scholarship fund. Next year we may hold the Flea Market the weekend after Labor Day in hopes of a larger crowd of shoppers. Many vendors commented that it was a profitable day even though the attendance was lighter than usual.

Fishing Derby review

The weather did not cooperate which in turn affected the attendance. Park & Recreation Board members discussed the possibility of having one Fishing Derby instead of two each year. They agreed that they will hold two again in 2016 in hopes of a larger crowd. It sometimes takes a few years for an event to take off. There was a suggestion from a participant to place decoys in the water for the kids to snag with their fishing poles.

Breakfast with Santa – Saturday, December 5, 2015

Joe Rosboril and other Park & Recreation Board members will pass out flyers at the Halloween Party that the Fire Department will host on Saturday, October 31, 2015 from 6pm to 8pm. Mr. Rosboril will call Mr. & Mrs. Santa Claus to see if they will stop in for breakfast and visit with the children.

OLD BUSINESS:

Park updates

Town Hall Park – Joe Rosboril will continue to check out this park. **Munson Township Park** – The tennis courts resurfacing has been completed. No update was offered in regards to the basketball fence. **Scenic River Retaat** – The Trustees approved the trail name to be "Samuel Hopson". Mr. Hopson was the first settler in Munson Township. There is a need for some kind of lighting in the E-loos since the park is open until 11pm. **Nero Nature Preserve** – Claudia Toth found that the Geauga County Sherriff does patrol the area on a regular basis.
