Zoning Inspector Report

Zoning Inspector Jim Herringshaw is expecting University Hospitals to come in for a variance for a new building and driveway changes on Hospital Drive. Berkshire Hills Golf Club will be coming in for a sign variance. Mr. Herringshaw has been busy removing non-conforming signs and sending out letters to businesses that are not following the Zoning Resolution rules and regulations. It seems as though businesses are starting to get the message since less and less signs are going up. Jennings at Notre Dame Village is looking good and they will be continuing to put up 24 2-unit buildings and plan on building them as they are needed.
