CORRESPONDENCE - Zoning Bulletin Issues – 2/25, 3/10, 3/25, 4/10, 4/25; Northeast Ohio Planning and Zoning Workshop brochure

Members should let Paula Friebertshauser know by 5/21/14 if they plan on attending the Northeast Ohio Planning and Zoning Workshop.

Mrs. Pikus noted that she attended the Zoning Inspectors meeting on April 24, 2014 along with Heather Crawford, Sandy Shultz, and Tim Kearns. According to the board members, they were advised to stay within the model for telecommunications towers and keep the current language as written. The board discussed the recommended changes listed in a February 12, 2014 email from Mrs. Pikus to Mrs. Friebertshauser. The board recommended that the changes listed in the February 12, 2014 email be incorporated into the Zoning Resolution. Mrs. Pikus also noted that there was no new information on child day cares provided at this meeting. Also discussed at the Zoning Inspectors meeting was the Growth Partnership Association, an organization that meets quarterly and which helps to connect people to internships and trainings with local businesses.

The board determined that the revised Zoning Resolution is ready for a final draft, and upon a final review, ready to initiate. The board is targeting the next meeting on Monday, August 18, 2014 as the date to initiate the amendment. Mrs. Friebertshauser will provide the board members with a hard copy of the final draft so they may review it in detail before the August 18th meeting.
