Zoning Report

The Zoning office has had a little bit of everything this past month; new buildings, garages, a fence, pools etc. Jennings at Notre Dame Village came in for (2) two variances for a new set of cottages. At the last Board of Zoning Appeals meeting the resident who wanted to put a pool up on their Wilson Mills Road residence passed. Mr. Herringshaw brought to the Boards attention a resident who called regarding dead trees littered throughout the Township suggesting that this issue should be added to the Zoning Resolution. The Board decided that this would be a civil matter and not to get involved.

Additional changes to the Zoning Resolution were discussed.
